

SURGAID

DISPOSABLE BLADED TROCAR KIT

Disposable laparoscopic trocar kit, the safety you can feel!

Product features

Appropriate Sealing
offers good air tightness.

Threaded Design control
insertion speed and depth.

Sharp linear blade allows
low insertion force and
reduced fascial defect.

Smooth conical aiming
facilitates easier insertion.

Simple seal detachment
for versatility during
specimen removal.

Safety Lock indicates when
the blade is shielded and
exposed.
